

Calling all
Regional Prayer Co-ordinators, and Intercessors
to a day of
Prayer & Fasting.

It will be on April 6th 2019, and we plan to meet at 10am. The venue will be Christchurch Bayston Hill, Glebe Road, Bayston Hill, Shrewsbury, SY3 0PZ.

Among the things we will be praying for are the:-

ICDF Culture Study week in India

CDFB Regions

CDFB National Dance Day.

There will also be a time of worship before we start the prayer time for the different items. For anyone who are on medication which prevents them from fasting, they will be allowed to bring some fruit to take, there will also be water on hand for those who need a sip during the intervals.

Please come and join us, and bring a verse of scripture, or something from the Lord that will bless us. There will be a book to write down anything that comes to mind, you may bring flags, staffs, or a piece of music if you feel the Lord lays on your heart to bring to encourage us all.
